

Capstone Project Intellectual Property & Patent Declaration Form

We, the undersigned student team members of VIT Chennai, hereby declare that the Capstone Project titled **Neurox 3D Neurological Brain Segmentation**

has been carried out under the supervision of **Dr. Jayaram B (50315)**

We confirm that the work carried out by our team is original and does not violate or infringe any existing copyright, patent, or intellectual property of any individual, organization, or institution. Each of us agrees to act as a Co-Investigator for any Patent filing, IP disclosure and Technology transfer arising from this project.

We understand and agree that all Intellectual Property (IP) generated from this project will be jointly owned by **Vellore Institute of Technology, Chennai**, and the student project team (each member as a Co-Investigator) in accordance with VIT Chennai's IP Policy.

We authorize VIT Chennai and the faculty Supervisor to file patents on behalf of the project team, prepare and submit all technical and legal documentation, and publish, present, or commercialize outcomes as per institutional guidelines.

Each student agrees to provide all technical details required for drafting and filing the patent, maintain confidentiality and avoid any public disclosure of the project (seminars, competitions, hackathons, social media, GitHub, etc.) until patent filing is completed, and follow inventorship and authorship principles as per the Indian Patent Act and VIT Chennai IP Policy.
